

STARTS CLEAN. STAYS CLEAN.

Innovation

- Made with Mohawk's patented Continuum process
- 6.5 billion bottles recycled each year to become EverStrand carpet
- EasyClean added protection to repel liquid spills and soils

Benefit

- Free of dirt-attracting residue found in other carpets
- Purified fibers to resist soil and other contaminants for more thorough cleaning

2

Bottles are recycled into PET chips

1

Mohawk reclaims more than 6 BILLION plastic bottles each year

3

The PET chips are extruded into EverStrand fiber

4

FLOOR

EverStrand fiber is made into beautiful long-lasting carpets
